

GOVERNMENT OF ASSAM  
OFFICE OF THE PRINCIPAL ::::::::::: DHEMAJI ENGINEERING COLLEGE  
DHEMAJI-787057

---

**NOTICE**

This is to inform all the students of Dhemaji Engineering College that we take great pride in providing a conducive and respectful learning environment for all our students. Upholding college rules and maintaining discipline is crucial to ensuring that every student can achieve their academic and personal goals without disruptions.

Here are key points to remember:

**Attendance:** Regular attendance to classes and all academic activities is mandatory. Any absenteeism should be communicated to the concerned faculty in advance with a valid reason.

**Punctuality:** Being on time for classes, examinations, and any other college events is essential. Latecomers not only disrupt the class but also miss out on valuable learning opportunities.

**Dress Code:** Adhere to the college's dress code policy. Dress modestly and professionally, respecting the cultural and academic atmosphere of the institution.

**Respect for Others:** Treat your fellow students, faculty, and staff with respect and courtesy. Maintain a positive and inclusive atmosphere for everyone.

**Academic Integrity:** Plagiarism and cheating in exams or assignments will not be tolerated. Always give proper credit to sources and do your own work.

**Noise and Disturbance:** Keep noise levels to a minimum in classrooms, libraries, and common areas. Noise can disturb others who are studying or working. Students are debarred from loitering at top of the academic building. If they get caught red handed, they will be expelled from hostel/college immediately.

**Use of Facilities:** Ensure that you use college facilities and resources responsibly.

**Smoking and Substance Use:** Smoking and the use of illegal substances are strictly prohibited on college premises.

Failure to abide by these rules and maintain discipline may result in disciplinary actions, which can include warnings, fines, suspension, or even expulsion in severe cases.
